

# Lead with Experience!

The EITC Coalition is currently recruiting senior volunteers (age 55 and older) to join the Retired and Senior Volunteer Program (RSVP). This initiative, part of the AmeriCorps Seniors network, offers older adults the opportunity to give back to their communities in a meaningful and rewarding way.

As an RSVP volunteer, you'll support free tax preparation services for low- to moderate-income individuals and families, helping them claim important tax credits like the Earned Income Tax Credit (EITC). In addition to tax assistance, you'll help connect clients to other vital community resources that can improve their financial well-being.

Volunteering through RSVP is flexible and impactful—whether you're looking to stay active, learn new skills, or simply make a difference, your time and experience can have a lasting impact. Join a network of dedicated individuals working together to strengthen their communities, one return at a time.
